(1) Net sales is annualized premium issued (Gross premium that would be received during the policies' first year in force and assuming that none of the policies lapsed or terminated.), net of cancellations in the first thirty days after issue, except in the case of Globe Life Direct Response where net sales is annualized premium issued at the time the first full premium is paid after any introductory offer period has expired. We believe that net sales is a better indicator of the rate of premium growth as compared to annualized premium issued.
