(1) First-year collected premium is defined as the premium collected during the reporting period for all policies in their first policy year. First-year collected premium takes lapses into account in the first year when lapses are more likely to occur, and thus is a useful indicator of how much new premium is expected to be added to premium income in the future.

Note: The following divisions are exclusive agencies of Globe Life Inc.: American Income Life Division, Family Heritage Division, and Liberty National Division.
